Designed *for comfortable country living*

Set in a stunning landscape of ocean, river and hills, Mtunzini is a hidden gem on the northern coast of KwaZulu-Natal, drawing nature lovers to its indigenous forests, pristine estuary and long beaches. Mtunzini, meaning 'place in the shade' in Zulu, is a town where communities come together, urbanites shed their city stresses, and outdoor enthusiasts fulfil their passion for adventure.

The Heights is located within the exclusive Zini River Estate, situated on 176 hectares of rolling hills along the northern edge of Mtunzini. Bordered by the Umlalazi River, natural bush and an estuary that leads into the Indian Ocean, Zini River Estate is the address of choice for those who yearn for wide-open spaces and easy access to outdoor activities.

Whether you want to soak up the magnificent river, sea and hill views from various vantage points, do a spot of birdwatching, or get active on land, river or sea, there are myriad experiences to be enjoyed at the estate or in the area.
